www.awg-law.co.uk

For over 100 years AWG has been providing high quality legal advice at a fair price. Our success is founded upon excellent knowledge in our chosen legal areas of practice. The firm works both locally and nationally. Recognised for its professionalism, it is building on the expertise of its 3 resident partners and developing a network of solicitor consultants.

Over the last few years we have expanded our work area into the London area, the Midlands and across the South and South West England. This has led to the development of an innovative practice in which some of our solicitors are self employed consultants.

All important work in your case will be carried out by qualified, experienced solicitors with whom you will have personal contact throughout the transaction.
